

Ladies' Brooch – new in 2008

Whilst for many years the gentlemen have had their Club ties, our lady members and ladies accompanying our gentlemen members have lacked a smart symbol of the Ward Club to wear. We are very pleased therefore to present our new Ladies' brooch; made by Spink of silver gilt with enamelled Ward Club colours, it has a secure dress pin on the reverse and is supplied in its own box. Members can purchase the brooch from the Hon. Secretary for £60.00.
